A Chara

St. Michael's College in association with Friends of Kerry Palliative Care are organising a Night at the Dogs on Saturday, April 7th.

I am asking you or your Company/Organisation to support our effort by taking an advert in our programme €100.

St. Michael's College chose to support Kerry Palliative Care because in St. Michaels we want to create an awareness of the wonderful work and dedication of the Palliative Care among our College Community and hopefully will inspire the next generation of Carers.

I would like to thank you for your kindness and generosity towards the education and support of our students and the care of people who need Palliative Support.

Never underestimate your contribution.

May God Bless you and your family, now and in the future,

Yours sincerely

John Mulvihill
Principal & Organising Committee
